

**Cyber Village Academy's  
First Annual Spring Clean-Up and Planting  
Saturday, May 18, 2013\*  
9:00 a.m. – 12:00 noon**

**We need YOU! No gardening experience required.**

- You, and your family, are invited to participate in the first annual School Spring Clean-Up and Planting.
- Let's make the school grounds beautiful for the year-end picnic, 8<sup>th</sup> grade graduation and to be good neighbors.
- It's a great way to have family time, meet new people and be a part of the "Village".
- It's also a great way to get community service hours in for the kids and school volunteer hours for the parents; all while enjoying the spring weather—finally!
- Bring a blanket & picnic lunch to eat afterwards—while we relax, visit and admire our beautiful work!

**What we'll be doing:**

- Cleaning up litter
- Raking out leaf debris
- Pulling weeds
- Spreading wood chips
- Splitting hostas
- Planting new plants
- Having fun!

**What we need:**

- Wheel Barrows
- Rakes—metal and bamboo
- Shovels
